## ADHS School 7th & 10th Grade Immunization Data Report (IDR): Due November 15, 2007

School Name:		Type of Sci Public □	nool: Private □ Charter □	Phone: Fax:
Mailing Address, City, Zip:		County:		Date of Report:
Contact Person's Name:		Circle the best description of the contact person: School Nurse Health Aide Office Staff Principal		
E-Mail Address:		Other:		
Does this school have a preschool or Kindergarten? If yes, separate Immunization Data Reports must be completed for those grade levels.  Additional copies of all Immunization Data Report forms may be downloaded from the website: <a href="http://www.azdhs.gov/phs/immun/idr_forms.htm">http://www.azdhs.gov/phs/immun/idr_forms.htm</a>				
Fill in the numbers for 7 <sup>th</sup> and/or 10 <sup>th</sup> grades.	7 <sup>th</sup> Grade	10 <sup>th</sup> e Grade	Ac	ction Required
<b>1.</b> How many students are enrolled in 7 <sup>th</sup> and/or 10 <sup>th</sup> grades?				
How many students have an immunization record <b>OR</b> a valid exemption on file?			Require proof of immuniza	ation <b>OR</b> an exemption for school entry.
3. DTaP/DTP/DT/Td:				
How many students have 3 or more doses?			Require dose #4 if dose #3	3 was given before the 4 <sup>th</sup> birthday.
How many students have less than 3 doses?			Require 2 doses spaced 1 after the 2nd dose.	month apart and the 3rd dose 6 months
TOTAL (must equal number enrolled, see #1)				
4. How many students have a Tdap booster?			Tdap contains tetanus, dip	ohtheria, and pertussis vaccines.
5. How many students have a Td booster?			Td contains only tetanus a	and diphtheria vaccines.
6. Polio:				
How many students have 4 doses?			·	t, even if all were given before age one.
How many students have 3 doses?			Require Polio #4 if Polio #3 was given before the 4 <sup>th</sup> birthday.	
How many students have less than 3 doses?			Require another dose 1 m	onth after the last dose.
TOTAL (must equal number enrolled, see #1)				
7. MMR:				
How many students have 2 doses?				
How many students have 1 dose?			Require MMR #2 when 1 i	month has passed since MMR #1.
How many students have 0 doses?			Require MMR #1 immediately.	
TOTAL (must equal number enrolled, see #1)				
8. Hepatitis B:				
How many students have completed the Hep B series?			special adolescent 2-dose	
How many students have 2 doses of the 3-dose series?				months have passed since Hep B #2.
How many students have less than 2 doses?			Require student(s) with no B #2 1 month after Hep B	Hep B to obtain Hep B #1. Require Hep #1.
TOTAL (must equal number enrolled, see #1)				
9. Varicella (chicken pox) vaccine: How many students have at least 1 dose?			Students who receive Vari spaced 1 month apart.	icella vaccine at 13+ years need 2 doses,
How many students have history of <b>chicken pox</b> disease?			Varicella vaccination OR of	disease history is required for <b>7</b> <sup>th</sup> <b>grade</b> .
How many students have 0 doses of Varicella vaccine and no history of chicken pox disease?			Require Varicella dose #1	immediately for 7 <sup>th</sup> grade students.
TOTAL (must equal number enrolled, see #1)				
10. Exemptions:				
How many have a Personal Beliefs exemption?			Require a signed exemption	on form.
How many have a Medical exemption?			Require a doctor's signatu	re & statement of the medical condition.
How many have Laboratory Evidence of immunity?			Require a copy of the lab	results and doctor's signed statement.

## 7th & 10th Grade Immunization Data Report (IDR) Instructions

All Arizona public, private and charter schools must submit an IDR on children enrolled in preschool, pre-K, Kindergarten, 7<sup>th</sup> and 10<sup>th</sup> grades by November 15th each year. Use this form for <u>7<sup>th</sup> & 10<sup>th</sup> grades only</u>. Forms for the other age/grade levels are available at <a href="http://www.azdhs.gov/phs/immun/idr">http://www.azdhs.gov/phs/immun/idr</a> forms.htm.

- Step 1: Identify your school by completing all areas at the top of the form.
- **Step 2**: Answer questions 1 and 2 by counting how many 7<sup>th</sup> and/or 10<sup>th</sup> grade students are enrolled (#1) and how many have an immunization record and/or a valid exemption on file (#2).
- **Step 3:** Answer questions 3 through 8, regarding DTaP/DT/Td/Tdap, Polio, MMR, and Hep B vaccines, by counting how many doses of each vaccine your 7<sup>th</sup> and/or 10<sup>th</sup> grade students have on their records. See example below showing a school where 120 students are enrolled in 10<sup>th</sup> grade. Note that each student will fit into one of the categories listed by having 2 MMR doses, 1 MMR dose or 0 MMR doses. When added together, the numbers equal 120 students.
- **Step 4**: Answer question 9 by counting how many 7<sup>th</sup> and/or 10<sup>th</sup> grade students have received varicella (chicken pox) vaccine or have history of chicken pox disease.

## **EXAMPLE:**

96 students have 2 doses of MMR. 19 students have 1 dose of MMR. 5 students have no doses of MMR. The "Action Required" column states the actions the school must take to be in compliance with immunization requirements. For example, the school must require that students who have received only 1 MMR obtain a 2<sup>nd</sup> MMR as soon as one month has passed since MMR #1.

6. MMR:	10 <sup>th</sup>	Action Required
	Grade	·
How many students have 2 doses?	96	
How many students have 1 dose?	19	Require MMR #2 when 1 month has passed since MMR #1.
How many students have 0 doses?	5	Require MMR #1 immediately.
TOTAL (must equal number enrolled, see #1)	120	

- **Step 5**: Complete section #9 (exemption section) by listing the number of students who have each type of exemption on file. **All exemptions, including those for only 1 vaccine type, must be listed.**
- **Step 6:** Complete all "**Action Required**" by sending a "**Referral Notice of Inadequate Immunization**" to the parent/guardian of each student who needs additional immunizations. Require proof of immunization each time a student is due for another vaccine dose. Track the students who need additional doses.
- Step 7: Count the number of 7<sup>th</sup> and/or 10<sup>th</sup> grade students who are not fully immunized. Check to see how many students who are <u>not exempt</u> need additional doses of any vaccine. <u>If more than 10% of the non-exempt students in 7<sup>th</sup> and/or 10<sup>th</sup> grade still need one or more doses of any vaccine, the enclosed "IDR Update" form must be submitted no later than January 31, 2008</u>
- Step 8: Check this form carefully to ensure all areas have been completed. Make a copy of the form and keep it for your records. Mail the original form by November 15, 2007.

Mail the report to:

Arizona Immunization Program Office Assessment Unit 150 N. 18<sup>th</sup> Ave., Suite 120 Phoenix, AZ 85007-3233
